1 BASIS OF PREPARATION OF FINANCIAL STATEMENTS

(a) Basis of Accounting:

The financial statements have been prepared in accordance with Generally Accepted Accounting Principles (GAAP) in India and presented under the historical cost convention on accrual basis of accounting to comply with the accounting standards prescribed in the Companies (Accounting Standards) Rules, 2006 and with the relevant provisions of the Companies Act, 1956.

(b) Use of Estimates:

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities on the date of financial statements and reported amounts of income and expenses during the period. Difference between the actual result and estimates are recognized in the period in which the results are known/ materialized.

2 | INVESTMENTS

Investments are classified into current and long-term investments. Current investments except for current maturities of long term investments are stated at the lower of cost and quoted/ fair value. Long term investments are stated at cost less any provision for other than temporary diminution in value.

3 | FIXED ASSETS

Fixed assets are stated at cost, less accumulated deprecation Cost includes inward freight, duties & taxes, expenses incidental to acquisition and installation.

4 IMPAIRMENT OF ASSETS

Carrying amount of cash generating units / assets is reviewed for impairment. Impairment, if any, is recognized where the carrying amount exceeds the recoverable amount being the higher of realizable price and value in use.

5 DEPRECIATION

Depreciation on fixed assets is provided on straight line method as per the rates and in the manners prescribed in the schedule XIV to the Companies Act, 1956.

6 REVENUE/EXPENDITURE RECOGNITION

Dividend income is accounted for on receipts basis. Interest Income is recognized on accrual basis in the income statement.

Expenditure is accounted for on accrual basis and provision is made for all known losses and liabilities.

7 RETIREMENT BENEFITS

Provision of retirement benefits is made as and when the employees become entitled to such benefits.

MARBLE FINVEST LIMITED

INCOME TAX

Provision for current income tax is made after taking credit for allowances and exemptions. In case of matters under appeal, due to disallowance or otherwise, provision is made when the said liabilities are accepted by the Company.

In accordance with the Accounting Standard 22-"Accounting for Taxes on income" issued by Institute of Chartered Accountants of India, the deferred tax for timing differences between the book & tax profit for the period is accounted for using the tax rates and the tax laws that have been enacted or substantively enacted as of the balance sheet date.

Deferred tax assets arising from temporary timing difference are recognized to the extent there is virtual certainty that the asset will be realized in future.

9 | PROPOSED DIVIDEND

Dividend as proposed by the Board of Directors is provided for in the books of accounts if any, pending approval at the Annual General Meeting.

10 CONTINGENT LIABILITY & COMMITMENTS

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non occurrence of one or more uncertain future events beyond the control of the company. Where the potential liabilities have a low probability of crystallizing or are very difficult to quantify reliably, these are treated as contingent liabilities. Such liabilities are disclosed in the notes but are not provided for in the financial statements, although there can be no assurance regarding the final outcome of the legal proceedings, the company does not expect them to have a materially adverse impact on the financial position or profitability.

11 PROVISIONS

Show cause notices issued by various government authorities are not considered as obligation. When the demand notice are raised against such show cause notice and are disputed by the Company then these are classified as possible obligations.

Provisions involving substantial degree of estimation in measurement are recognised when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources.
